the **TILER PECK** collection by *So/Danca*[™]

LIMITED EDITION - APRIL TO AUGUST 2024

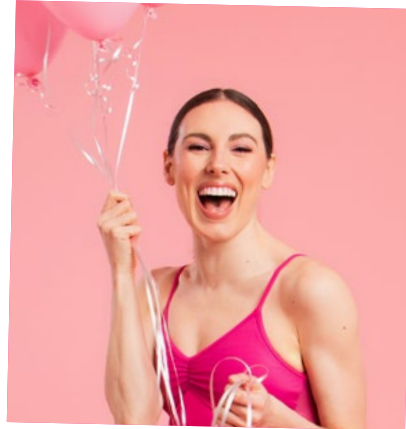

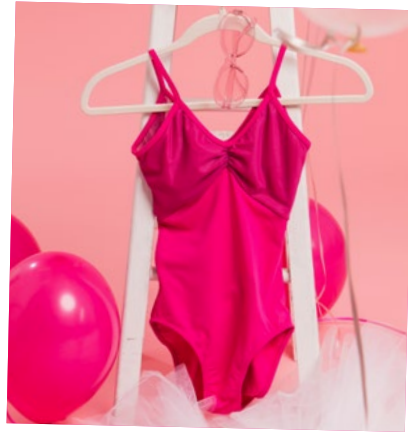

FAMILY IS ALWAYS IN THE FRONT ROW

International ballet sensation, Tiler Peck continues to shine in all areas of her life. Whether on stage, in the studio, or at home, it's her family that has a front-row seat to her life. Growing up in Bakersfield she could usually be found at her mother's dance studio but her football coach dad and soccer-playing sister were never far away. This past year, the Peck crew lost the backbone of their family, Tiler's dad Stephen.

This latest release of dancewear styles has been designed in his honor. Always allowing his girls to shine, this fun, colorful collection reflects the confidence, strength and passion he inspired in all those whose lives he touched. Sporty styles pay tribute to his long-time connection with college football, elegant lace styles show a more feminine side (he was a proud girl's dad) and classic silhouettes finish out the line to flatter all. To complete the family connection, these new styles are named after family members, nicknames for those closest to Tiler, and some that have become her chosen family.

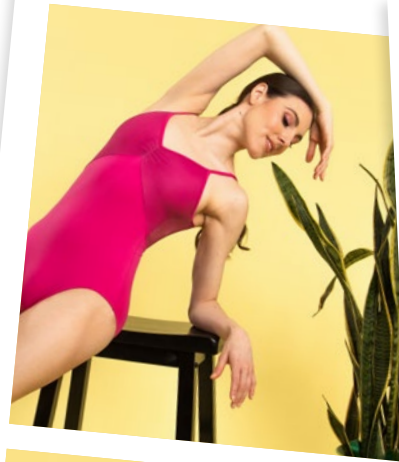

We invite you to feel the love of family as you discover the new line.

Dear Daddy,

You will always be my hero - a true gentleman - with the unique and perfect blend of qualities that I believe every daughter and wife would want in a man. You had the ability to be strong yet very sensitive, stubborn yet reasonable, highly intelligent but also down-to-earth and approachable.

The amount of joy and pride that you got watching me dance is something that will stay with me forever. You were the first person I told, "I am going to dance on that stage someday" after you took me to see the New York City Ballet for the first time and I know you're looking down, watching from above. I'll always save the best seat in the house for you.

Love, TiTi

ABOUT THE PRINT

This print was designed in tribute to Stephen and has deep symbolic meanings. Both feathers and doves hold universal adoration, transcending cultural boundaries and resonating with audiences on emotional and spiritual levels.

Not only beautiful, but immensely meaningful.
