BE YOU

Fashion II

Europe 2024

This Só Dança Europe project integrates history, art, music, fashion and dance. This time on a stage in the city of Tallinn, Estonia, more precisely at the ART MUSEUM OF ESTONIA FOUNDATION - KADRIORG and at the FOUNDATION VENE TEATER. The combination of classical music, elegance and talented dancers, with the wonderful scenery and, of course, our collection with contemporary fashion trends resulted in a harmonious integration.

The production was based at Fouetté Noor Ballett, Tony Veiler's school, which kindly provided us with the ideal support for the production in his beautiful country.

For this Be You Collection, a sophisticated color palette was adopted, which highlights classic black, the softness of lavender and floral tones, as well as a mysterious deep blue, in combination with lace, transparency and a special emphasis on pieces with delicate texture and innovative butterfly print. This print was crafted from a realistic and enlarged perspective, highlighting the colors and details of the design to create an immersive visual experience.

Be You by Só Dança offers more beauty, comfort, and inspiration for the art of dance!
