ALINA Collection

Developed with advanced technology to deliver exceptional performance, precision, and promote foot health

ALINA Blossom

Tailored for the foundational phase of pointe work, **ALINA Blossom** merges softness, flexibility, and precise support. This design promotes the natural strengthening of intrinsic foot muscles, ensuring enhanced safety, control, and body awareness right from the first classes. Featuring a flat platform and a microfiber-covered box, it provides excellent stability and improved grip, which aids in maintaining proper alignment during relevés and various barre exercises. Perfect for beginners at the barre, **ALINA Blossom** is versatile enough to adapt to different class environments, guaranteeing comfort, lightness, and support throughout this crucial stage of technical growth.

ALINA I • II • III • IV

Following the initial phase with **ALINA Blossom**, transitioning to the **ALINA I, II, III, or IV** models is seamless and intuitive. The interchangeable shank system allows dancers to modify the level of support based on their technical advancement and requirements, with no adaptation challenges. Each model comes ready to wear, requiring no break-in period: simply slip them on and dance, instantly enjoying the perfect blend of lightness, exceptional comfort, and movement control that characterizes the entire collection.
